Due to our unpredictable weather, we must build an enclosure that can hold 30 to 50 individuals for special events.

We also need to build a storage facility for equipment and supplies.

We must raise a minimum of
US\$35,000.00 to complete Phase
One of our project.

If politicians can raise millions with
small donations, we are sure that
with your support, phase one of
Temple of Inner Peace will be a
reality.

For those who would like to have a private event, we will accept a donation. There will be no specific fee quoted.
